⑥ Sanctuary 1018

→ continue w/ relaxation / body asleep!

mind alert - access and describe

the target at coordinates.

→ Go at 1020

⑦ Area of water - smooth - men working around an object - looking up at object - tying it - pulling down - tying - painted - wide bottom circular sling my - area is deep - gap my - swimming.

⑧ evenness - smooth - things going well - men are happy - almost celebrating - men leading - flowers nearby - pretty land -

⑨ A coming together - flying together - water breaking up rocky →

→ zoom in or faint allows sub

⑩ Object - big - round - moves - flies floats round & pushes flower - red energy with it it's white - rotating fast movement - rotating - specialty - reminds one of a balloon - air - heavy - light small - seat inside - one driver - looking out driver looks out - driver pulls - thrusts forward (gearing? on floor) lower portion - rounded inside oval-shaped - workings are on the bottom - one man inside - other men involved - running - wear things? talks to boxes -

Approved For Release 2000/08/09 : CIA-RDP96-00789R003700740003-8

Gearing coordinates moving

→ where object operate

6 flies over water - on land

on water - have a hard time plan  
it - hard -

flies and floats - crossing over - crossing over -  
shuttle mostly scoops gliding - sharp cuts

gliding - flying - get sputtering - dipper

measuring clicking - protruding downward -

throwing tossing - sharing - rhythmic - even  
smooth.

6 see feel draw remember -

→ Data is best provides

6 Gold - squares - maze - leading up - of any  
hidden person - wall - square

→ Squares

6 sticks - flowers - beautiful  
outside - outside

→ Inside -

6 Dorky

→ Go to issue of interest

6 Objects in here + intelligence

→ Building - engineering -  
quiet men - precise precision work w/  
object make ex army brand new

6 Shows pants tracking -

→ 6 man behind desk w/ window behind  
him - older - points outside -

not real tall - white stand out easy

examiner Greyish hair, quiet, most reserved
